

WHEEL TROLLEY TOWER LIFT

UTILIZE THE TYRE STORAGE FACILITY OPTIMALLY

Wheel Trolley Tower Lift is a compact and space-saving lifter for an ergonomic handling of wheels in extra high tyre racks. The lift is available in 3 different models: 1.0, 2.0 and 2.1

TYRE STORAGE WITH THE USE OF WHEEL TROLLEY TOWER LIFT

- The tyre racks can be build with a height up to 6 meters
- The wheels are handled directly on Wheel Trolleys
- Minimal handling during loading into and off shelves
- Racks can be positioned with a passage width from just 1.4 meters
